

Teardrops On My Guitar

Key: Bb

[Intro]

A# Gm D# F

[Verse 1]

A# Gm D# F
Drew looks at me, I fake a smile so he
won't see
A# Gm D# F
That I want and I'm needing, everything
that we should be

[Pre-Chorus 1]

Gm D#
I'll bet she's beautiful, that girl he
talks about
A# F
And she's got everything that I have to
live without

[Verse 2]

A# Gm D# F
Drew talks to me, I laugh cause it's just
so funny
A# Gm D# F
That I can't even see, anyone when he's
with me

[Pre-Chorus 2]

Gm D#
He says he's so in love, he's finally got
it right
A# F
I wonder if he knows he's all I think about
at night

[Chorus]

A# F
He's the reason for the teardrops on my
guitar
Gm D#
The only thing that keeps me wishing on a
wishing star

A# F
Gm D#
He's the song in the car I keep singing,
don't know why I do

[Verse 2]

A# Gm D# F
Drew walks by me, can he tell that I can't
breathe?
A# Gm D#
And there he goes so perfectly
F
The kind of flawless I wish I could be

[Pre-Chorus 3]

Gm D#
She'd better hold him tight, give him all
her love
A# F
Look in those beautiful eyes and know she's
lucky cause

[Chorus]

A# F
He's the reason for the teardrops on my
guitar
Gm D#
The only thing that keeps me wishing on a
wishing star
A# F
Gm D#
He's the song in the car I keep singing,
don't know why I do

[Instrumental]

A# Gm D# F

[Bridge]

Gm D#
So I drive home alone, as I turn out the
light
A# F
I put his picture down, and maybe get some
sleep tonight

[Chorus]

A# **F**
Cause he's the reason for the teardrops on
my guitar
Gm **D#**
The only one who's got enough of me to
break my heart

A# **F**
Gm **D#**
He's the song in the car I keep singing,
don't know why I do

A# **F**
He's the time, taken up, but there's never
enough

Gm **D#**
And he's all that I need to fall into

[Outro]

A# **Gm** **D#** **F**

You Belong With Me

Key: F#

[Intro]

F# **F#**

[Verse 1]

F#
C#
You're on the phone with your girlfriend,
she's upset

G#m
She's going off about something that you said

B
'Cause she doesn't get your humor like I do
F# **C#**
I'm in the room, it's a typical Tuesday night

G#m
I'm listening to the kind of music she
doesn't like

B
And she'll never know your story like I do

[Pre-Chorus]

G#m **B**
But she wears short skirts, I wear T-shirts
F# **C#**
She's cheer captain and I'm on the bleachers
G#m **B**

Dreaming about the day when you wake up and
find

C#
That what you're looking for has been here
the whole time

[Chorus]

F#
If you could see that I'm the one who
understands you

C# **G#m**
Been here all along, so why can't you see?

B **F#**
You belong with me, you belong with me

[Instrumental]

F#

[Verse 2]

F#

C#

Walkin' the streets with you and your worn
out jeans

G#m

I can't help thinking this is how it ought to
be

B
Laughing on a park bench, thinking to myself

Hey, isn't this easy

F#

C#

And you've got a smile that could light up
this whole town

G#m

I haven't seen it in a while since she
brought you down

You say you're fine, I know you better than
that

B

Hey, whatcha doing with a girl like that

[Pre-Chorus]

G#m

B

She wears high heels, I wear sneakers

F#

C#

She's cheer captain and I'm on the bleachers

G#m

B

Dreaming about the day when you wake up and
find

C#

That what you're looking for has been here
the whole time

[Chorus]

F#

If you could see that I'm the one who
understands you

C# **G#m**
Been here all along, so why can't you see?

B

You belong with me

F#
Standing by and waiting at your back door
C# **G#m**
All this time how could you not know, baby

B

F#

You belong with me, you belong with me

[Instrumental]

F# C# G#m B

[Bridge]

G#m

Oh, I remember you drivin' to my house

B

In the middle of the night

F#

I'm the one who makes you laugh

C#

When you know you're about to cry

G#m

I know your favorite songs

B

And you tell me 'bout your dreams

F#

Think I know where you belong

C#

Think I know it's with me

[Chorus]

F#

Can't you see that I'm the one who
understands you

C# **G#m**
Been here all along, so why can't you see?

B

You belong with me

F#
Standing by and waiting at your back door
C# **G#m**
All this time how could you not know, baby

B

F#

You belong with me, you belong with me

[Outro]

C#

You belong with me

G#m

Have you ever thought just maybe

B

F#

You belong with me, you belong with me

Back To December

Key: D

[Intro]

| **D** | **Bm** - **G** | x2

[Verse 1]

D I'm so glad you made time to see me
Bm How's life, tell me, how's your family
G I haven't seen them in a while **D A**
D You've been good, busier than ever
Bm We small talk, work and the weather
G Your guard is up and I know why **D A**

[Pre-Chorus]

Bm **A**
Cause the last time you saw me
D G
Is still burned in the back of your mind
Bm A G
You gave me roses and I left them there to die

[Chorus]

D
F#m
So this is me swallowing my pride, standing
in front of you
G
Saying I'm sorry for that night
D A
And I go back to December all the time
D
It turns out freedom ain't nothing but
missing you
F#m G
Wishing I'd realized what I had when you were
mine
D A
G
I go back to December, turn around and make
it alright
Bm A
I go back to December all the time
D Bm G x2

[Verse 2]

D
These days I haven't been sleeping
Bm
Staying up, playing back myself leaving
G **D**
A
When your birthday passed and I didn't call
D
Then I think about summer, all the beautiful
times
Bm
I watched you laughing from the passenger
side
G **D** **A**
And realized I loved you in the fall

[Pre-Chorus]

Bm **A**
And when the cold came, the dark days
D **G**
When fear crept into my mind
Bm
You gave me all your love
A **G**
and all I gave you was goodbye

[Chorus]

D
F#m
So this is me swallowing my pride, standing
in front of you
G
Saying I'm sorry for that night
D **A**
And I go back to December all the time
D
It turns out freedom ain't nothing but
missing you
F#m **G**
Wishing that I'd realized what I had when you
were mine
D **A**
G
I go back to December, turn around and change
my own mind
Bm **A**
I go back to December all the time

[Guitar Solo]

D Bm G x2

[Bridge]

Bm **G**
I miss your tan skin and your sweet smile
D **A**
So good to me, so right
Bm **G**
D
And how you held me in your arms that
September night
A **Bm**
The first time you ever saw me cry
Bm
Maybe this is wishful thinking
G
Probably mindless dreaming
D
A
But if we loved again, I swear I'd love you
right

Bm **A** **G**
I'd go back in time and change it, but I
can't
Bm **A** **G**
So if the chain is on your door, I
understand

[Chorus]
(no comp)

D
F#m
But this is me swallowing my pride, standing
in front of you
G
Saying I'm sorry for that night
D **A**
And I go back to December --> comp in
D
It turns out freedom ain't nothing but
missing you
F#m **G**
Wishing that I'd realized what I had when you
were mine
D **A**
G
I go back to December, turn around and make
it alright
Bm **A**
G
I go back to December, turn around and change
my own mind
Bm **A**
I go back to December all the time

All Too Well

Key: C

[Intro]

C **G** **Am** **F**
C **G** **Am** **F**

[Verse]

C **G**
I walked through the door with you, the air
was cold

Am **F**
But something 'bout it felt like home
somehow, and I,

C **G**
Left my scarf there at your sister's house
Am **F** (once)
And you still got it, in your drawer, even
now

[Instrumental]

C **G** **Am** **F**

[Verse]

C **G**
Oh your sweet dispositon and my wide eyed
gaze

Am **F**
We're singing in the car getting lost upstate

C **G**
Autumn leaves falling down like pieces into
place

Am **F**
And I can picture it after all these days

[Pre-Chorus]

C **G**
And I know it's long gone and, that magic's
not here no more

Am **G** **F**
G **Am** **F**
And I might be okay but I'm not fine at all
oh, oh, oh

[Chorus]

C **G**
'Cause there we are again on that little town
street

Am **F**
You almost ran the red 'cause you were
lookin' over at me

C **G**
Am **F**

Wind in my hair, I was there, I remember it
all too well

[Verse]

C **G**
Photo album on the counter your cheeks were
turning red

Am
F
You used to be a little kid with glasses in a
twin size bed

C
G
And your mother's telling stories 'bout you
on a t-ball team

Am **F**
You tell me 'bout your past thinkin' your
future was me

[Pre-Chorus]

C **G**
And I know it's long gone and it was nothing
else I could do

Am **G**
F **G** **Am** **F**
And I forget about you long enough to forget
why I needed to

[Chorus]

C **G**
'Cause here we are again in the middle of the
night

Am **F**
We're dancing 'round the kitchen in the
refrigerator light

C **G**
Am **F**
Down the stairs, I was there, I remember it
all too well

[Instrumental]

C **G** **Am** **F** **G**

[Verse]

C **G**
Maybe we got lost in translation maybe I
asked for too much

Am
F
But maybe this thing was a masterpiece 'til
you tore it all up

C **G**
Am **F**
Running scared, I was there, I remember it
all too well

C **G**

Hey, you call me up again just to break me
like a promise

Am **F**
So casually cruel in the name of being honest
C **G**
I'm a crumpled up piece of paper lyin' here
Am **F** **C G**
Am F
Cause I remember it all all all too well

C **G**
Time won't fly it's like I'm paralyzed by it
Am **F**
I'd like to be my old self again but I'm
still tryin' to find it

C **G**
After plaid shirt days and nights when you
made me your own
Am **F**
Now you mail back my things and I walk home
alone

C **G**
But you keep my old scarf from that very
first week

Am **F**
'Cause it reminds you of innocence and it
smells like me
C **G**

Am F
You can't get rid of it 'cause you remember
it all too well, yeah

[Chorus]
C **G**
'Cause there we are again when I loved you so
Am **F**
Back before you lost the one real thing
you've ever known

C **G**
Am F
It was rare, I was there, I remember it all
too well

C **G**
Wind in my hair, you were there, you remember
it all

Am **F**
Down the stairs, you were there, you remember
it all

C **G**
Am F
It was rare, I was there, I remember it all
too well
